Wedding Recommendations

Toast Master

We recommend that you use the services of a Toastmaster to help organise and co-ordinate your reception. Many people find that they only need the partial services of a Toastmaster just to liaise with the Best Man, advise and guide you through the day. We can provide the partial services of a Toastmaster at a very reasonable rate. However, if you would like a Toastmaster to be in attendance exclusively for you throughout the whole reception we will be happy to provide a quote.

Ceremony Music

If you are holding your Wedding Ceremony here we will be happy to provide the equipment for your background music, but would recommend that either your ushers or your Best Man attend to the playing of it, as you may want specific pieces of music played at different times during your ceremony.

Chair Covers

We find that many Weddings nowadays like to have the chairs covered with something in keeping with the colour scheme and style they have chosen for their Wedding. We will be happy to obtain a quote for you, or put you in touch with a company that provides this service.

Discos

We have a number of resident DJ's who have many years experience in playing at Weddings. They all carry a wide repertoire of music to cater for all tastes and age groups. They will be happy to receive a play list from you, or discuss any special requests that you might have.

Bands

If you would like any form of Live music we will be pleased to make a recommendation based on your requirements.

Sampling Dishes

Customers wishing to sample dishes from the Function menus please bear in mind that sampling will not be possible for some of the dishes as the ingredients are purchased, and the dishes cooked, especially for your function. They are not always otherwise available. If you wish to sample anything please check the availability with the Manager.

Wedding Co-ordinators

In the event that customers have employed the services of outside Wedding Co-ordinators we wish to inform you that they cannot play an active part on the premises on the day of the Function. The organisation here on the day of the Function is of course our job.
