## 6th Form / Year 13 Leavers Balls 2017 Terms & Conditions

School Proms can only be booked by the School and must have the full support and involvement of Teachers and staff. At least 8 Teachers must be in full attendance for the duration of the event and until the last student has gone.

17 year olds can drink Beer, Wine or Cider with a table meal. They cannot approach the Bar or buy any alcoholic drinks. We therefore include an arrival drink and a glass of wine with the meal. Anyone aged 18 or over can purchase drinks for themselves at the Bar and I.D. will be required.

To make a booking we will require a deposit of £500 along with the attached booking form, which must be completed by the School. Please phone first to check availability and to agree your intended arrival time. Final payment is due no later than the day of the event. As Leavers Balls are held at a busy time of year for Schools we require your menu choice at the time of booking to avoid any potential delays in obtaining this nearer the time of the event.

We will need your final number and table plan no later than one week before the event. Please contact us if you need help with your table plan. The maximum we can seat on a round table is 10. More than 10 people will have to be seated on long straight tables (a combination of the two looks fine). If anyone requires a Vegetarian meal or has any special dietary needs then please note which table they are seated on.

If you wish to book any outside services or entertainment for your event, such as a Photo booth, please ask to see our **Recommended Suppliers list** as only the companies on this list are allowed to work at High Rocks. They will need to agree their set up times and set up positions with us.

Only High Rocks DJs may perform here.

Please check with us before organising any decorations as we do not allow certain things, such as table jewellery, crystals or table confetti.
